## **Summer Newsletter & Programme of Outings**

Welcome to the Summer edition of our newsletter!

I hope you are enjoying the first weeks of Spring! There is so much to look forward to in this edition, including a brand new initiative which I am sure will be very attractive.

### **Long Haul Trips**

We are delighted to announce that the month of June will be devoted to our new “long haul” programme. These are trips to destinations a little too far away for the standard outings, but can be reached within two and a half hours. They will operate slightly differently so please refer to page two for further information.

### **Standard Programme**

Our standard programme will be operating in May and July. The programme is on the reverse of this newsletter and includes a return visit to Uppark House and our ever-popular coastal trips.

### **Council Free Trips**

Once again we hope to be operating the Wandsworth Council free trips programme in August. Full details will be despatched in late July.

### **Group Visits**

When we visit stately homes, castles or gardens we often take advantage of the

“group rate”. This can result in a saving of a few pounds on the standard rate, I’m sure welcome news for many! However this does mean that we have to enter as one group—which may mean passengers having to wait for a few minutes for the other vehicles to arrive before entering the property. Please be patient and we will do our best to get you in just as soon as we can.

**We would like to thank Wandsworth Council for supporting the Silver Daytrippers’ project**

### **New Members**

If you haven’t been on the outings before then just call us on 8675 3812 and we can register you immediately. You can then start to make bookings and will receive our regular newsletter.

For more information please turn to page 3.

## Exciting New Premises for Shopmobility

We are delighted to announce that we will soon be in the new premises being built especially for us in the fantastic new Sainsbury's redevelopment at Wandsworth. We have been struggling in temporary accommodation for the last year and are really looking forward to moving into the state-of-the-art new unit.

To celebrate and to attract new passengers, we are offering a free shopping trip in May and hope to soon see all our old friends (and newcomers), enjoying the new facilities. Wandsworth Shopmobility loans out wheelchairs and mobility scooters, and volunteers are available for those who need help with their shopping or someone to push their wheelchair. A special door-to-door accessible minibus service is available to bring passengers into the Town Centre. To find out how to use the service or to volunteer, ring 020-8675 7460.

## Nightingale Charity Walk

We are thrilled that the Nightingale Walk has chosen Wandsworth Community Transport as one of its beneficiaries for 2014.

The Nightingale Walk has already raised nearly £500,000 for charity since its inception in 1979 and this year is focusing on four local charities.

The walk takes place on Saturday 7 June and covers a beautiful stretch along the river from Kingston to Putney.

For more information please see their website, [www.thenightingalewalk.com](http://www.thenightingalewalk.com).

## Information for new members

The Silver Daytrippers is an outings club for active, older Wandsworth residents (60+).

The aim of the club is to provide an interesting programme of day trips with an emphasis on exercise, lifelong learning and combating loneliness and isolation.

We visit a wide selection of destinations, including stately homes, garden centres, historic cities and the ever-popular seaside trips.

Passengers are collected from different points in the borough (please refer to the blue timetable enclosed and select the pick-up point most convenient to you).

New members are extremely welcome—please spread the word to friends and neighbours!

**Please note that these trips are not for people who have additional support needs or mobility problems, who should enquire about our door-to-door outings.**

## Sheffield Park and Gardens

On Friday 30 May, we will be visiting Sheffield Park and Gardens, near Haywards Heath in Sussex.

This magnificent garden was laid out in the 18th century by 'Capability' Brown and further developed in the early years of the 20th century.

The original four lakes form the centrepiece. There are dramatic shows of daffodils and bluebells in spring, and the rhododendrons and azaleas are spectacular in early summer.

You should visit the spectacular man-made waterfall, which is in operation on Fridays from 12 to 1pm.

There is a coach house café, which should cater for your refreshment requirements on the day.

If you are offered a place on this trip you will need to send us a cheque in the sum of £17.50 (£9.50 for NT members—please don't forget your card). This payment is non-refundable, should be made payable to "WCT" and must be received by us at 1 B Yukon Road, SW12 9PZ no later than Friday 16 May.

## Uppark House—A place of love affairs and decadence!

Due to popular demand, on Monday 7 July we will be making another visit to the wonderful Uppark House!

Situated near Petersfield, just an hour and a half from London, Uppark is a picture perfect Georgian Mansion with elegant rooms and beautiful furniture.

The house was the scene of lavish parties to entertain the rich and famous—including a scandalous romance that shocked society!

Set on the crest of the South Downs, you will be able to enjoy sweeping lawns and a woodland walk. On a clear day you are able to see the sea!

As usual there is a restaurant to cater for our passengers (and drivers!)

If you are offered a place on this trip you will need to send a non-refundable cheque made payable to "WCT" in the sum of £18 (£10 for NT members). The cheque should be posted to 1 B Yukon Road, London SW12 9PZ and must be received by Friday 13 June.

## Blenheim —"Britain's Greatest Palace"

On Monday 2 June, the first outing in our new long-haul programme is to the delightful Blenheim Palace in Oxfordshire.

The birthplace of Winston Churchill, the Palace contains stunning portraits, tapestries and an exquisite collection of furniture.

There are 2,000 acres of beautifully landscaped parkland and gardens to visit and a maze to explore!

As usual there are plenty of refreshment opportunities available.

If you are offered a place on this trip you will need to send us a non-refundable cheque

made payable to "WCT" in the sum of £24. The cheque should be posted to 1 B Yukon Road, London SW12 9PZ and must be received by Friday 16 May. Please note that Blenheim Palace is not a National Trust property.
